

# Planning Your Wedding Breakfast

A wedding celebration is a big undertaking and if you're currently researching it, you'll be starting to realise that. Reputable wedding venues know how to run a wedding to time and they have much of what you need in place already.

We're going to cover eight key areas for planning a wedding breakfast and you can find them all link below. There's also a wedding day schedule timetable that you can download and you can also download the entire guide here in a simple PDF with links to all the sections.

Have fun

## [Planning catering for your wedding venue - \[Read more\]](#)

You don't always have to head to a hotel where it's all covered for you though, and if you're not heading for a hotel or traditional wedding venue, then you have so many other options.

## [Planning your wedding theme - \[Read more\]](#)

Your wedding theme will help you in so many decisions as you can theme almost all your event around it. From the food and drink, to venue, invites, dresses, suits and entertainment - the wedding theme will drive it.

## [Wedding day schedule - \[Read more\]](#)

A well-organised event can only happen when someone controls the timing. Even a simple wedding needs things to happen at certain times to avoid ruining dinner, having a band set-up on time, or for the carriages to be arriving at the end of the party, not as it begins!

## [Planning wedding food - \[Read more\]](#)

Most big events are centred around a big meal and a wedding is certainly no different. The food is a significant part of the wedding day because it's the first proper meal together as a couple. It's clearly a good idea to make sure it's a good one!

### [Planning wedding drinks - \[Read more\]](#)

No wedding is complete without a good drink to toast to the happy couple. From reception to dinner and the evening party – you'll need some good drinks to lubricate the guests. You'll need drinks to welcome, wine wash down the food, and then some to add some extra dancing moves to the dancefloor!

### [Wedding equipment hire - \[Read more\]](#)

If you're planning the entire event yourself then you're about to be thrown into the world of [equipment hire](#). It's a big topic as you can see from the below, but the good news is that with **SafeHire Certified** companies like ours, you'll be in good hands.

### [Wedding entertainment - \[Read more\]](#)

There's nothing like a flat hour of not much at all to change the mood of an event. Some guests will amuse themselves, but it's best to have some activities in place to ensure your wedding day vibes stay uplifted. Entertainment is an important part of any event planning so we've listed some ideas below to help you use the power of entertainment to keep that happy vibe going all day and night.

### [Outdoor wedding - \[Read more\]](#)

Once you have your wedding theme set you'll be able to choose all manner of wares for the perfect day outside in your garden, village green, or even a rented space for weddings. Let's take a look at the main areas to consider and give you some ideas for planning your outside wedding.

### **Good luck and have an incredible day!**

We've been [hiring catering equipment](#) in **Birmingham, Stratford-upon-Avon, Warwickshire, Worcestershire, Gloucestershire, The Cotswolds and West Midlands** for over 20 years.
